

## Table of contents

<b>Executive summary</b> .....	7
<b>Chapter 1. Defining illegal trade in environmentally sensitive goods</b> ...	13
Wildlife .....	17
Timber .....	18
Fish .....	18
Hazardous waste .....	19
Chemicals .....	20
Structure of the publication .....	21
Notes .....	22
References .....	23
<b>Chapter 2. Key drivers and main impacts of illegal trade</b> .....	25
Introduction .....	26
What drives illegal trade? .....	26
Enabling environments for illegal trade .....	32
The impacts of illegal trade .....	36
Concluding remarks .....	47
Notes .....	48
References .....	49
Annex 2.A1. The role of China .....	55
<b>Chapter 3. Assessing illegal trade flows based on customs and licensing scheme data</b> .....	59
Introduction .....	60
Data from customs and licensing records .....	61
Customs data from importing and exporting countries .....	65
Comparing data from within licensing schemes and MEA reports ..	71
Concluding remarks .....	75
Notes .....	76
References .....	77
<b>Chapter 4. Licensing and trade controls for environmentally sensitive goods</b> .....	79
Introduction .....	80
Overview of licensing systems .....	82

Licensing systems for wildlife – CITES .....	86
Licensing system for timber – FLEGT .....	92
Licensing system for fish – CCAMLR Catch Documentation Scheme .....	97
Licensing system for chemicals – the Rotterdam Convention .....	100
ODS and the Montreal Protocol .....	103
Licensing system for waste – Basel Convention .....	107
Main lessons from licensing and concluding remarks .....	109
Conclusions .....	116
Notes .....	117
References .....	119
<b>Chapter 5. The effect of domestic environmental policies on illegal trade</b> .....	
Introduction .....	121
The establishment of property rights over environmental resources .....	122
Taxes, charges and payments for environmental resources .....	123
Concluding remarks .....	129
Notes .....	136
References .....	137
<b>Chapter 6. Illegal trade in environmentally sensitive goods:</b>	
<b>Conclusions</b> .....	141
<b>Tables</b>	
2.1. Types of impacts examined .....	27
2.2. Estimates of illegal production and trade .....	37
3.1. Trade in ramin sawn timber from Indonesia to Chinese Taipei, 1998-99 .....	63
3.2. Exports of ramin sawn timber to Chinese Taipei, 2005-07 .....	64
3.3. Possible causes of discrepancies in import-export data .....	66
3.4. Import-export data discrepancies: Selected cases (tonnes of CFCs) .....	67
3.5. Trade statistics for exports of logs (HS4403) from Tanzania in 2007 (cubic metres) .....	70
3.6. Avoiding discrepancies in legal trade data .....	71
3.7. Total imports and exports reported between 1997 and 2002 ...	73
3.8. Total imports and exports reported between 1997 and 2002 (MT) .....	74
<b>Figures</b>	
3.1. Timber exports from Tanzania to China and Hong Kong, 2003-07 .....	69
3.2. Comparison of trade statistics for trade in timber from Tanzania to China and Hong Kong, 2003-07 .....	69
